Work Experience

Web developer Freelancer

Fiverr - Rawalpindi

June 2022 to Present

As an aspiring web developer with a year of experience and pursuing a BS in electrical engineering, I possess a unique blend of technical expertise and analytical skills. My passion for creating innovative web solutions drives me to seek an internship where I can contribute my knowledge and learn from experienced professionals. I am committed to continuous learning and adapting to new challenges in the ever-evolving field of technology. With a strong foundation in both web development and engineering, I am eager to apply my abilities to make meaningful contributions to your team and organization.

Education

Bachelors in Electrical Engineering

Military College of Signals - Rawalpindi

October 2020 to June 2024
